

FCCLA ADVISER ACADEMY

Academy Objectives

Track 5: Participating at the State Level

Track 5 must be completed following Track 1, but can be done prior to other tracks. Completion of Track 5 will include submission of a report form along with supporting materials as necessary. Report forms should address the following objectives.

Objective 1: Use Planning Process to identify state needs and evaluate participant's execution of a state event.

Objective 2: Communicate with the state adviser to plan event, workshop or state activity.

Objective 3: Demonstrate understanding of national programs, integration into FACS classrooms, and general knowledge of FCCLA.

Ideas for Track 5 participation:

- Write and present a workshop at state leadership conference
- Act as lead consultant for competitive events at state competition
- Serve on a board or committee with other advisers at state level
- Develop a new award or recognition for your state
- Compile and submit lesson plans from advisers for use at state and national headquarters
