What are people saying about Red Apple and the products we offer?

*"We appreciate our Fundraising Consultant's enthusiasm, expertise, and her willingness to work with us to customize the fundraiser for our organization".*

Susan

Elementary School Sale Coordinator

*"I look forward to a long relationship with Red Apple. Our School has switched fundraising companies every 2 to 3 years as long as I can remember because they were a dime-a-dozen and no one on the board felt committed to any one company. This fall, it was exciting to see families so pleased with the quality of the wrapping paper because it was BETTER than what the "wrapping paper" company we'd used for the past two years provided. Red Apple is much more than a frozen food company... Their gifts, paper, and customer service is second to none!"*

Debbie

District Sale Coordinator (ELC, Elementary, Intermediate & MS)

*"My Fundraising Consultant is always quick to respond to my inquiries".*
