

**Lindsey Platfoot**  
**2008-2009 FCCLA National**  
**Vice-President of Development**

Lindsey Platfoot is from the great state of Ohio where she attends Anna High School. As a senior this year she plans to have fun, make memories and is proud to represent Family, Career and Community Leaders of America (FCCLA) as the 2008-2009 National Vice-President of Development.

As a seventh grade student in a Family and Consumer Sciences class, Lindsey was introduced to FCCLA as its co-curricular activity. After attending the Cincinnati National Cluster Meeting in 2002, she became very involved in FCCLA. Throughout her FCCLA career she has competed in five STAR Events earning gold ratings, has been the local Vice-President of Star Events, the district Vice-President of National Programs, the State Vice-President of Star Events and Achievements and is the past State President of Ohio. Lindsey has not only held leadership positions but has grown as a leader through her favorite National Program, Community Service.

FCCLA has created opportunities of a lifetime for Lindsey. She has not only been given the chance to represent FCCLA at the Youth Service America summit in New Orleans of 2006, but she has been a contributor to the Project Task Force, and the Youth Summary Report of the United Nations and Peace Child International for two consecutive years. Lindsey has earned community service awards and loves being active in her community and school.

Lindsey is also a cantor at the St. Lawrence Church, the President of her National Honor Society Chapter, and is a member of the Muse Machine, Students Against Destructive Decisions (SADD), McCartyville Producer's 4-H club, French Club, Marching and Concert Band. As a student leader Lindsey is passionate and committed to the FCCLA organization and is honored to be part of the Ultimate Leadership Experience.
