

Power of One

Power of One helps students find and use their personal power. Members set their own goals, work to achieve them, and enjoy the results. The skills members learn in Power of One help them now and in the future in school, with friends and family, in their future at college, and on the job.

Power of One Units:

Power of One gives youth the POWER to fulfill their dreams by creating self-directed projects that focus on—

- **A Better You** — Improve personal traits
- **Family Ties** — Get along better with family members
- **Working on Working** — Explore work options, prepare for a career, or sharpen skills useful in business
- **Take the Lead** — Develop leadership qualities
- **Speak Out for FCCLA** — Tell others about positive experiences in FCCLA.

Awards:

To gain recognition for Power of One accomplishments, send the Five Unit Recognition Application to your state adviser (by the state deadline).
