

Family Economics & Financial Education (FEFE)

High School Winner
Selah High FCCLA
Selah, Washington
Title: "What's Wrong With My Wallet?"

The chapter's project, "What's Wrong with My Wallet?" taught education lessons on saving, budgeting, credit, identity theft, and consumerism to high school students. The FCCLA members taught these using the five units of Financial Fitness from Family Economics and Financial Education. Each lesson was taught to different students.
